READ THIS.—From the Hon. John McLean, Associate Judge of the Supreme Court.

CINCINNATI, 29th Oct., 1852. Dear Sir-I thank you for the engraved likeness of General Jackson; it is an excellent one. In the latter part of his life, his grey hairs, his tall and venerable frame, the sincerity and kindness of his expression and manner, captivated all who became acquainted with him. There were few, if any, persons educated at home or abroad, however much they may have associated with foreign courts, who could equal the grace and effect of General Jackson's manner in a social circle. Whether we consider him in the field, in the drawing room, or at the head of the administration, he was a drawing room, or at the treatment of the remarkable man. With great respect, JOHN McLEAN.

NASHVILLE, Tenn., June 26, 1851.

Sir. I have repeatedly used your Cheert Pectoral for Whooping Cough and Influenza and have no hesitation in pronouncing it a complete remedy. Four of my children have been afflicted with these diseases, and the free use of the Pectoral has always afforded almost instant relief. JAMES GLOVER.

E. P. McGINTY, Editor of the Nashville Whig: J. M. ZIMMERMAN, Druggist. FOR A CONSUMPTIVE COUGH.

Pittsburg, Pa., Feb. 25, 1851. Dear Sir.-For three years I have been afflicted with a Cough, so distressing that I frequently dispaired of recovery; much of the time I was obliged to sit up all night in my chair, as my cough would suffocate me when I laid down. Having used many remedies without much relief, I at last tried the CHERRY PECTORAL which under Providence has cured me altogether.

I am with gratitude yours,
JAMES M'CAMBLESS. This is one of the numerous Cures of Asthma which have been accredited to Cherry Pectoral. ALBANY; N. Y., April 17, 1848.

DR. AYER, Lowell. DEAR SIE: I have for years been afflicted with Asthma in the worst form, so that I have been obliged to sleep in my chair for a larger part of the time, being unable to breathe on my bed. I had tried a great many medicines, to no purpose, until my physician prescribed, as an experiment, your CHERRY PECTORAL.

At hirst it seemed to make me worse; but in less than a week I began to experience the most gratifying relief from

its use; and now, in four weeks, the disease is entirely re-moved. I can sleep on my bed with comfort, and enjoy a state of health which I had never expected to enjoy. GEORGE S. FARANT. Commission and Forwarding Merchant.
FROM THE PRESIDENT OF AMHERST COLLEGE, ED. WARD HITCHCOCK, M. D., LL. D., &c. J. C. ATER. SIE I have used your CHERRY PECTORAL. in my own case of deep-seated bronchitis, and am satisfied, from its chemical constitution, that it is an admirable compound for the relief of laryngial and bronchial difficulties.

If my opinion, as its superior character, can be of any service, you are at liberty to use it as you think proper.
